3. Electrical Apparatus

A number of smaller firms engaged in the manufacture of electrical apparatus, such as Haussermann Technische und Optische Geräte (sic), Ponocny-Gerlach Messgeräte, and Norma Apparatebau, all of Vienna, have been or will be incorporated into the Goerz concern on the order of USIA.

4. The Goerz plant accepts few orders from Austrian firms. When such contracts are concluded, payment with materials is required and prices are extremely high.
